

CRS Workshop 2010
Rome, November 25-27, 2010

CRS

POLYSACCHARIDES FOR PHARMACEUTICAL
AND BIOMEDICAL APPLICATIONS

Rome, 25-27 November 2010

Polysaccharides for Pharmaceutical and Biomedical Applications

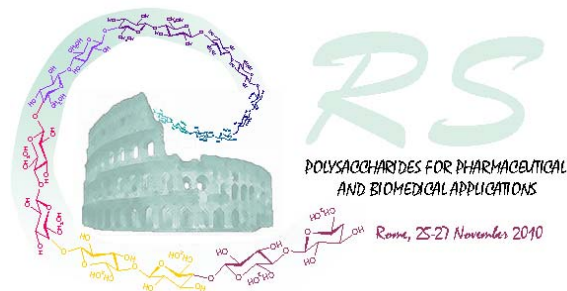

MEGATRON s.a.s.

Main Topics

Technologies for Polysaccharide Characterization
Hyaluronic Acid and its Biomedical Properties
Chitosan and Nanotechnologies
Hydrogels in Drug Delivery

Invited Speakers who have already accepted our invitation

Prof. Rolando Barbucci, University of Siena
Prof. Carla Caramella, University of Pavia
Prof. Corrado Fanelli, "Sapienza" University of Rome
Prof. Mario Grassi, University of Trieste
Prof. Kanji Kajiwar, Otsuma Women's University
Prof. Riccardo Muzzarelli, University of Ancona
Prof. Sergio Paoletti, University of Trieste
